

Hindmarsh Greening celebrates its success as a finalist in the Pride of Australia Medal - Environmental Category.

The Pride of Australia Medal honours people who volunteer to help or improve their community. Hindmarsh Greening is honoured to have been considered for the Environmental Category and strongly congratulates the ultimate winner, Rayleigh Burgess.

Rayleigh has been the driving force responsible for the formation of Murraywatch which is supported by the lower Murray Councils and volunteers. Murraywatch is similar in its role to Neighbourhood Watch but is solely managed by a small group of volunteers with financial support from donations from councils, membership and fundraising activities.
